Overview

Product information

EGD-300A-B95-B/S-OR-00-28040000124

Simple high current connector, Certification: UL Rated current: 300A, Rated voltage: 1500V Applied to high voltage connection of battery systems such as household energy storage, industrial and commercial energy storage, etc.

Product advantages

☑ Can be wired from any of the four directions
☑ Easy to install
☑ Quick maintenance

Product certification

Technical data

Product drawing

3D model

Environmental conditions

Operating ambient temperature (including temperature rise)	-40℃-125℃

Material data

Shell color	Orange
Flammability rating	UL94V-0

Material characteristics

Plating material	Silver plated

Electrical parameters

Rated voltage	1500V

Rated current	300A
