

## Aperçu

## informations sur le produit

**D32A-SF-4g-CV-M25-21010000614**

32A Lower base, Four levers, back cover, side entry, M25 Thread hole, Wear protective cover

## Les avantages des produits

- ☑ Metal or high-strength plastic material, resistant to high-strength mechanical shock;
- ☑ Various installation methods and outlet directions to meet on-site wiring requirements;
- ☑ Snap-in combination structure, dustproof, waterproof, easy operation;

## Marking

|                |                         |
|----------------|-------------------------|
| classification | Upper Housing/base      |
| Series         | A                       |
| Type           | Surface mount base      |
| Description    | With plastic dust cover |
| Specification  | Low structure           |

## versions

|                      |             |
|----------------------|-------------|
| Dimension            | 32A         |
| locking Category     | Double lock |
| Thread specification | 1x M25      |

## Material characteristics

|                               |                          |
|-------------------------------|--------------------------|
| Flammability rating           | V-0                      |
| RoHS                          | conform                  |
| Material (upper housing/base) | Die-cast aluminium alloy |
| Material(upper housing/base)  | spray                    |
| Color (upper housing/base)    | Grey (RAL 7037)          |
| Material (seal)               | NBR                      |

Technical specification

|                       |              |
|-----------------------|--------------|
| Limiting temperatures | -40°C~+125°C |
| IP class              | IP65         |
