

## Przegląd

## Informacje o produkcie

**10A-GM-0.5-92116900041**10A silver gold male pins, Adapter wire specification 0.5mm<sup>2</sup>

## Zalety produktu

- ✓ High-precision turning process, stable and reliable products;
- ✓ Gold-plated and silver-plated are available, suitable for different environmental requirements;
- ✓ Comprehensive products, resistant to temperature changes, shocks and harsh environments.

## Marking

|                |                  |
|----------------|------------------|
| classification | Contact          |
| Series         | 10A              |
| Contact type   | Crimping contact |

## versions

|                         |         |
|-------------------------|---------|
| Female/Male             | Male    |
| manufacturing technique | Turning |

## Material characteristics

|                  |                             |
|------------------|-----------------------------|
| RoHS             | Comply with RoHS exemptions |
| Plating material | Gold plate                  |
| Material         | Copper alloy                |

| Standards                                   |                      |
|---------------------------------------------|----------------------|
| Connection meets standards                  | EN 60664-1 IEC 61984 |
| Technical specification                     |                      |
| Conductor cross sections (mm <sup>2</sup> ) | 0.5mm <sup>2</sup>   |
| Conductor cross sections(AWG)               | 20AWG                |
| Working current                             | ≤10A                 |
| Contact resistance                          | ≤3mΩ                 |
| Plating Thickness                           | ≥3μ"                 |
| Temperature range                           | -40℃~+125℃           |
| Strip length                                | 8mm                  |
| working life-mating cycles                  | ≥500                 |
