Overview

Product information

ET Series-Waterproof Communication Connector-8P-28040000235

ET series - waterproof communication connector, used in energy storage field Current: 5A, Voltage: 300V, Certification: TUV Pin: 8 ,2 key positions, foolproof mode: 01, 02 01: Plug: ETP-05A-P08-C-GY-01 Socket: ETS-05A-P08-C-GY-01 02: Plug: ETP-05A-P08-C-GY-02 Socket: ETS-05A-P08-C-GY-02

Product advantages

☑ IP67 high protection
☑ Double lock protection, more stable connection
☑ Anti-wrong insertion key position

Product certification

Technical data

Product drawing

3D model

Material data

Shell color	Gray
Flammability rating	UL94V-0

Electrical parameters

Rated voltage	300V
Rated current	5A

Technical specification

IP class	IP67
