Overview

Product information

PV-ST-M-CS-09P-6-00ZH-29030000023

Could develop waterproof housings to meet customer requirements, such as those meeting IP67 protection standards.

Product advantages

☑ Customization and development can be tailored to customer needs

Product certification

RoHS REACH

Technical data

Product drawing

3D model

Wiring data

Tightening torque	1.2N.m

Environmental conditions

IP class	IP66

Material data

Environmental protection matters	REACH/RoHS compliant

Accessories

Business data

Order number	29030000023

Packing unit	/
Minimum order quantity	/
Products weight (without packaging)	240
